

# INGREDIENT COMMUNICATION STATEMENT

## LITE 'N FOAMY SUNFLOWER FRESH

3305

| Chemical Name                                  | CAS Number    | Function             | Designated Lists*                  |
|--|---------------|----------------------|------------------------------------|
| Water  | 7732-18-5     | Diluent              |                                    |
| Sodium Lauryl Sulfate                          | 151-21-3      | Surfactant           |                                    |
| Caprylyl/Capryl Glucoside                      | 68515-73-1    | Surfactant           |                                    |
| Lauryl Glucoside                               | 110615-47-9   | Surfactant           |                                    |
| Citric Acid                                    | 77-92-9       | Organic acid         |                                    |
| Sodium Laurylglucosides Hydroxypropylsulfonate | 742087-49-6   | Surfactant           |                                    |
| Sodium Hydroxide                               | 1310-73-2     | Alkalinity source    | <a href="#">Click to view list</a> |
| Fragrance                                      | Not Available | Fragrance Ingredient |                                    |
| Lauramidopropylamine Oxide                     | 61792-31-2    | Surfactant           |                                    |
| Myristamidopropylamine Oxide                   | 67806-10-4    | Surfactant           |                                    |
| Methyldihydrojasmonate                         | 24851-98-7    | Fragrance Ingredient |                                    |
| Yellow 5                                       | 1934-21-0     | Colorant             |                                    |
| Tocopheryl Acetate                             | 7695-91-2     | Conditioning Agent   |                                    |
| Aloe Barbadensis Leaf Juice                    | 85507-69-3    | Conditioning Agent   |                                    |
| Methylchloroisothiazolinone                    | 26172-55-4    | Preservative         |                                    |
| Methylisothiazolinone                          | 2682-20-4     | Preservative         |                                    |
